AGRICULTURAL. TO WHEAT GROWERS. "EXCELSIOR."

ANALYSIS.
Ammonia 6.50
Soluble Bone Phosphate of Lime 25.50
Undecomposed Bone Phos of Lime 6.50
Sulphate of Potash 2.85
The most concentrated, universal and durable fertilizer ever offered to the farmer—combining all the stimulating qualities of Peruvian Guano, and the ever durable fertilizing properties of Bones. In fine dry powder, prepared expressly for drilling.
After nineteen years' experience by the farmers of Maryland and Virginia in the use of "Excelsior," it is their unanimous opinion that an application of 100 pounds of "Excelsior" is equal to from 200 to 300 pounds of any other fertilizer or guano, and, therefore, fully 100 per cent cheaper.
Uniform Quality Guaranteed by the Manufacturers.
Farmers should see that every bag is branded as above, with the ANALYSIS and OUR NAME IN RED LETTERS. All others are counterfeits. Price \$5.50 per ton.

A TRUE PICTURE OF WRONG LIFE.
Some of the doctor's patients had been inmates of the insane asylum, many had epileptic fits, some were on the verge of consumption, some were sterile and impotent, and others again were imbecile or demented and unable to take care of themselves—all caused by that life-wasting disease spermatorrhea, or nervous exhaustion, the result of the errors of early youth. These became the doctor's patients and were cured. Dr. King's warranted remedies for spermatorrhea, under his own administration, have effected over one thousand permanent cures within the last twelve months. He treats with remarkable success all chronic diseases, from whatever cause, affecting the respiratory, digestive, the circulatory and the generative organs. Address (from April 1st to Nov'r. 1st) Dr. T. R. KINGET, Home for Invalids, Manassas, Va. New York office, 125 East 13th st. MEDICAL GOOD SENSE, a 32 page pamphlet, mailed for 10 cents. aug 9-1m

FRIDAY EVENING, AUGUST 17.

GEN. HUNTON.—The Leesburg Mirror says that at a political meeting in that town last Monday, Gen. Hunton was loudly called for, and in a speech of 30 minutes, urged the claims of Col. Holliday to the unanimous vote of the county, regardless of past party affiliation. He said that on the assembling of the Convention he had grave apprehensions that the conservative party was about to fall to pieces, by reason of its own weight, but that these fears were dispelled as soon as the body of representatives got fairly to work, and he congratulated the members on their good work and on the assured safety of the party, for years yet to come. He also took advantage of the occasion to explain to the meeting the history of the Electoral Commission; of the reasons which gave rise to it, and of the hopes of peace and justice which its formation inspired. He explained how these expectations were destroyed by the unforeseen action of the members of the Commission. He was satisfied then that the best interests of the whole country demanded a peaceful solution of the disputed question, and that in this manner alone could such a solution be obtained, and that in looking back over his course, on this question, he was more and more convinced of the propriety of his action. At the close of his speech a resolution of continued confidence in Gen. Hunton was adopted by the meeting.

LONG ASSOCIATED SERVICE.—Thos. K. Frankland, conductor, and Geo. E. Foreman, engineer, on the Warrenton branch of the V. M. R. R., have been running together constantly for nineteen years the 20th of this month. We doubt if there is such an other case in the world. Their associated service was never interrupted during the war. By the way, Tom Frankland as he is familiarly called is quite a character, and is known to the traveling public and railroad people as such. Although now he is recognized as a devoted and consistent Christian yet in early youth he was leader in all sorts of pranks and mischief, and was generally blamed by the old folks for every thing of a disagreeable nature occurring. Indeed the feeling was carried so far that when a whirlwind tore down the Presbyterian Church in Warrenton some old ladies blamed Tom for it, and warned their sons against engaging in any further adventures with him. Capt. Frankland we are sorry to say has some weeks been an invalid. May he soon be restored to health. Solid South.

THE RAILROAD SHOPS.—The shops of the Virginia Midland Railroad have been removed to Charlottesville and all the employees have been ordered away. The removal of the shops will necessitate the removal from this city of nearly forty families most of whom have good comfortable homes which they must now give up at a great sacrifice, and will also withdraw from circulation in this community a large amount of money.
We learn that Mr. John A. Humphries, the superintendent of the railroad shops, contemplates resigning his position on account of the removal of the shops from this city. Mr. Humphries is a pleasant gentleman and a most efficient officer, and the company would find it difficult indeed to fill his place. Lynch, Virg.

We are recently informed of a fatal encounter between two young men, aged about 14 and 16 years respectively, in the dam at Crittendon's mill, on the Rappahannock river, in this county. It appears that the youths were riding in a skiff in the dam on last Sunday, when they became involved in a quarrel, when one of them struck the other with an oar and knocked or pushed him into the river, holding him there until he was drowned. Piedmont News.

SPECIAL NOTICES.
The Grape crop of A. Speer's vineyards in New Jersey promises this year to be one third more than any previous year.
